# Adding and Subtracting Integers (I)

Name: _____  Date: _____  Score: _____

### Calculate each sum or difference.

14 + −16 =              12 + 23  =

7 − 22  =               −8 − −21 =

18 − −18 =              25 − 14  =

6 − 15  =               2 − 25  =

18 − −4  =              2 − −23 =

−15 + 4   =             −22 + 4   =

23 − −8  =              6 + 20   =

−24 + 17  =             −10 + −20 =

15 − 24  =              −16 − −17 =

14 + −23 =              24 + 20  =

−16 − 15  =             −21 − 3   =

20 + 24  =              21 + 21  =

3 + −20 =
