

Lattice Multiplication (J)

Use lattice multiplication to find each product.

$25326 \times 39261 = \underline{\hspace{2cm}}$

$10103 \times 85781 = \underline{\hspace{2cm}}$

$61800 \times 28491 = \underline{\hspace{2cm}}$

$70345 \times 35602 = \underline{\hspace{2cm}}$
